Description of the event and its Significance/Scope in 100-300 words	 THE TOPIC OF NEW EDUCATION POLICY : 2020 PROSPECTS AND CHALLENGES IN HIGHER EDUCATION WITH INTERVENTION OF ICT DATED ON 11TH - 12TH JUNE 2023. ABSTRACT FOR SEMINAR, NEP-2020, National Education Policy-2020 is one of the important educational Phenomenon for which India was eagerly waiting. NEP 2020 is the first education policy of the contemporary century which replaces National Policy on Education (NEP), 1986. It brings many fundamental changes in education system and teacher education too. One of the Changes is the change in structure of education system the change in teacher education also. The process of convergence will create some issues which should be catered with more academic manners. All these issues are discussed in the paper. After 1986, that is an innovative changes carried out by intellectuals. This new Education policy will help the youth to build New India. Dreams will by success for every status of stake holders and new Education policy will be easily accessible for all. There will be no pressure form the parents side to admitted their kids at the age of 3+. But now, the child will start his \ her career only at the age of 5+. The total curriculum will be choice based. Any student of any stream can choose the subject as per their choice from science, Arts and from commerce stream. But in the case of teacher Education, a drastic changes are going to take places. If the management, Principal and the faculty members will not go into details about the NEP - 2020draft details then will be too faraway form this race.
